OUR AWARD-WINNING FASEA EXAM MASTERCLASS

Passing the FASEA Exam is an essential component of the educational qualifications that advisers need to achieve before providing personal advice to clients.

One of the most popular courses in the history of TAL Risk Academy, the FASEA Exam Masterclass is designed to support you as you prepare for the Exam. We'll cover the key information and materials to be across and how to prepare to be successful, first time.

The interactive masterclass covers exam logistics, Financial Advice Regulatory and legal obligations, applied ethical and professional reasoning, and financial advice.

The FASEA Exam Learning Pathway

We've redesigned our course program this year to provide guided, flexible learning pathways for every stage of your professional journey: from entry-level foundation courses for those new to advice, through to advanced, technical topics for more experienced advisers.

If you're getting ready for the FASEA Exam, there's a learning pathway designed just for you. Click each course name to learn more about what's covered or explore all the pathways [here](#).

BB

Excellent structure: exam tips, timing the practice questions...
A really effective way of learning.

FASEA EXAM MASTERCLASS STUDENT

Great course. You have given me direction for my study and confidence in proceeding on to the exam. I will be back for the pre-exam webinar.

FASEA EXAM MASTERCLASS STUDENT

Really insightful and delivered with a very high level of knowledge.
Highly recommended.

Creating brighter futures through education

We've always been committed to making TAL Risk Academy as accessible as possible, which is why most of our courses are free of charge.

The only exception is a \$55 fee for our masterclasses, which is donated in full to the [ABCN](#) to help talented young Australians reach their full potential.

You know how important education is to your professional future. By attending any one of our masterclasses – including the FASEA Exam Masterclass – you're giving a young person that same advantage.
